

TEXAS A&M UNIVERSITY

College of
Architecture

Part-time Position Application

Position Title: Student Research Assistant

Instructions to Applicants: Applications received by Texas A&M University must have all job application data entered. Failure to provide all job application data or a complete resume could result in an invalid submission and a rejected application. We encourage all applicants to include a resume and cover letter.

Due to Texas A&M University rules and regulations, student employees can work a maximum of 29.75 hours per week. All applicants are subject to a criminal history investigation, and employment is contingent upon the completion of the criminal history check. Employees may not start working until cleared by Business Office.

JOB DETAILS

JOB DESCRIPTION SUMMARY

Assistant in research related to college students' homelessness. Applying for IRB and deploying and administering surveys.

Hourly Wage: \$15.00

Approximate Hours Per Week: 20

QUALIFICATIONS

Must be current Ph.D. students in Architecture with strong research, communication, and writing skills.

LEARNING OUTCOMES

This research project puts circular economy at the center of the affordable students housing problem. With the increased number of college student's homeless population nationwide, a need for affordable housing solutions is evident. University campuses can play a major role in addressing the problem while utilizing its own resources to create a closed-loop self-sufficient system. Prototypes and full-scale mock-ups such as the project proposed here can play a critical role in activating multi-faceted research agendas across many disciplines to alleviate the problem.

HOW TO APPLY

Send completed application to Dr. Ahmed Ali at ahali@arch.tamu.edu with subject line "Student Research Assistant Application." Resumes and cover letters are welcome in addition to the application.
